<http://careerservices.colorado.edu>

- **"Moc-Tail" Party Networking Event**
9/11 5:30-7 PM, UMC 235
- **Resume Writing Class for Engineering Majors**
9/13 5-7 PM, ECCR 107
- **Sandia National Labs: Engineering, Science, & Math Majors**
9/20 6-7 PM, ECCR 245
- **Resume Critiques with Engineering Industry Professionals**
9/21 2-4 PM, Engineering Lobby
- **Suit Yourself Clothing Sale**
9/28 10 AM-6 PM, UMC 235
FASHION SHOW 9/28
12-1 PM UMC Atrium
- **LSI Logic CS, ECE, EE Majors**
9/28 6-7 PM, ECCR 139

Paid outreach positions

MESA Mentor

Interested in mentoring middle and high school students as they tackle math, science, and engineering projects? Become a Math Science Engineering Achievement (MESA) Mentor through MEP and WIEP.

Contact Gale Day at gale.day@colorado.edu or 303-492-7601 and plan to attend the first training Wednesday, 9/13, 6-7:30 PM in ECCR 105! MEP and WIEP need to fill nearly 30 paid positions at schools in Longmont and Denver. Minimum 3 hours per week commitment. Apply now!

First Robotics

The Boulder Valley Robotics Education Program is looking to hire 3-4 female engineering students to mentor elementary, middle and high school pre-engineering students as they prepare for FIRST robotics competitions at the local and state level. (More information on FIRST can be found at <http://www.usfirst.org>)

Total commitment is 20-25 hours of work during September-November (or possibly longer for those matched with high schools). Pay is \$20/hour.

Specific duties include: Serve as role models to young girls in Science/Math/Engineering & Technology programs; work with a variety of robotic systems including Lego Mindstorms/NXT and VEX Mentor design and programming of systems mentioned above; serve as a judge at the Nov. 11 FIRST LegoLeague Tournament at Monarch High School.

To apply contact David Clark at david.clark@bvsd.org.

Get your resume ready for the fall Career Fair! Attend the 9/13 Resume Workshop

Don't wait until the last minute to prepare for the fall Career Fair. Create or update your resume at the Resume Workshop, Wednesday, 9/13, from 5 to 7 PM in ECCR 107. Hosted by MEP, WIEP, and Career Services, this workshop will be packed with great tips that will make your resume stand out to potential employers! Sign up on CSO - <http://careerservices.colorado.edu>. Log in or register in the upper right hand corner of the page.

Watch for these other career development workshops hosted by MEP/WIEP:

- Acing the Interview 9/26 5:30-6:30 PM in Folsom Stadium 140 (gate7)
- Organizing Your Job Search 10/3 5:30-6:30 PM in Folsom Stadium 140
