

On August 15, 2005, the Boulder campus adopted a policy that prohibits discrimination and harassment based upon race, color, national origin, sex, age, disability, religion, sexual orientation and veteran status. As a result, all faculty, staff, instructors and lecturers are required to complete a Discrimination and Harassment training session.

To accommodate the needs of those not able to attend an on-campus session, The Office of Discrimination and Harassment (ODH) is providing this training in an online format that can be completed at your convenience.

This training requires that you view a 90 minute video and then read supporting documentation provided below. After completion of the training, the Acknowledgment Form (located on the college website at: <http://engineering.colorado.edu/facultystaff/forms.htm>, (under the heading of "Office of Discrimination and Harassment") must be signed and returned to the Office of Discrimination and Harassment (565 UCB) for documentation purposes. We would also appreciate it if you could please take a minute to complete the ODH Training Evaluation Form and return it with your signed Acknowledgement Form.
